Subject: Idaho Power info request

Hi Kent: Lucas just called to ask that I send you the following information regarding the Vale BLM District's role in the B2H project.

The Vale District Office is the designated lead BLM office for the B2H Project and the Vale District Manager is the decision-maker for all BLM offices involved in the project. The presentation that Asst Field Manager

Renee Straub provided to the CAP in July covers all of BLM not just the Oregon portion of the project. Please contact BLM Project Manager Lucas

Lucero at 202-731-2794 if additional clarification is needed.

Dave Henderson
Vale District Manager
PH: 541.473.6201
