My comments on the Boardman to Hemingway Transmission Line Project are:

- ON JAN. 13, I ATTENDED THE OPEN HOUSE IN MARSING AND VISITED WITH SEVERAL PERSONS ASSOCIATED WITH THE B2H PROJECT.
- ALTHOUGH THE PROJECT HAS NO DIRECT BEARING ON THE CITY OF PARMA, I WOULD TAKE THIS TIME TO RESPOND.
- FIRST, I SUPPORT INFRASTRUCTURE UPGRADES IN GENERAL. I SUPPORT THIS PROJECT SPECIFICALLY BECAUSE IT WILL ALLOW MORE AND GREATER FLEXIBILITY TO SHIFT POWER NEEDED AS SEASONAL DEMAND REQUIRES. THE ADDED BENEFIT TO THE TREASURE VALLEY REGION IS THAT A MORE STABLE POWER SUPPLY WILL BE AVAILABLE. THAT IS AN ECONOMIC BENEFIT THAT IS CRITICAL TO LONG TERM ECONOMIC HEALTH.
- AS MAYOR OF OUR SMALL COMMUNITY, I AM FRUSTRATED BY THE GLACIALLY SLOW PROCESS THAT HANSTRINGS PROJECTS.

----- (fold along line and tape edges to mail) -----

THE PERMITTING PROCESS OFTEN STRAGGLES GOOD,  
WORTHWHILE, AND WELL MEANING PROJECTS AND  
PLACES UNDOE BURDEN ON THE PERMITEE, A  
CERTAIN AMOUNT OF OVERSIGHT IS GOOD,  
HOWEVER, AT SOME POINT ONE WOULD HAVE  
TO WONDER WHEN OR IF THE PROJECT WILL  
EVER GET THROUGH THE BURDENSOME PROCESS.  
UNFORTUNATELY, I HAVE NO IDEA ABOUT HOW  
TO MAKE IT BETTER. I WISH I DID.
